## ABOUT US

---

The Nabd Alhayah Humanitarian & Development Foundation (NAHDF) is a licensed, independent, non-governmental, and non-profit organization, established in March 2016 under registration number (٤٥) by the office of Social affairs and Labor in Taiz.

Our Mission is to address the pressing developmental and humanitarian needs of Taiz, with a comprehensive approach that encompasses social, developmental, and charitable initiatives. We are committed to serving all segments of society, without discrimination, and promoting social justice, equality, and sustainable development. The NAHDF is apolitical and non-partisan, with a sole focus on empowering individuals and communities to build a better future for themselves and their country.

## MISSION

---

We are committed to designing and delivering impactful projects and programs that drive positive change in human societies, leveraging our collective expertise, resources, and capacities to implement sustainable development initiatives that meet international quality standards.

## VISION

---

Our Vision is to foster inclusive and sustainable development, empowering individuals and communities to build a more equitable, responsible, and enlightened society that recognizes the value of active participation in shaping a better future for all.
